microsoft  
settlement

Date : Jan 25, 2002.

To : Department Of Justice

From : William Peterson

Subject : Microsoft Settlement.

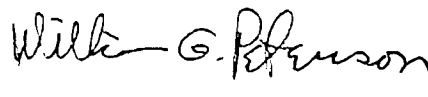

I'm very satisfied with the settlement between Microsoft and US Department Of Justice. The following is the main reason. As a US citizen is my duty to try my best to provide any information that is good for our country.

I have read extensively material and documents on this case and settlement including : **Complaint(5/18/1998), Stipulation (11/06/2001) and Competitive Impact Statement (11/15/2001)**. Its a good thing you folks and **Janet Reno** weren't around at the turn of the last century. If you were I wouldn't be driving my **ford**.

The Department Of Justice gave Microsoft a very strong order, stronger than the competition complained about. I'm very happy that Microsoft agrees to this final settlement.

Sincerely

**William G Peterson**
